## Home working prizes

**REMOTE** worker awards have been launched to highlight how remote and home working benefits the environment and quality of work life.

Organisers say the awards come at a time when thousands of people across the UK are faced with job losses or reduced hours. The awards aims to raise awareness for remote and home working as an alternate solution to redundancy and the traditional nine-to-five office routine.

For more information or if you have an enquiry about the Remote Worker Awards, call 0844 800 8355 or 020 8133 6329 or browse [www.remoteworkerawards.com](http://www.remoteworkerawards.com).
